Dear Peter,

Re: Junior Recruits Reunion held Perth 12th to 16th July 2010

The purpose of this letter is to thank you for the support you provided us with our Golden Reunion held during the week 12th to 16th July 2010.

The reunion was a fantastic success, with many members journeying from such countries as: China, Dubai, New Zealand, Vietnam, Canada, USA, Brunei, New Guinea and from all Australian mainland states and Tasmania.

It provided the opportunity for all members, and their wives, to join with their mates, some of whom they had not seen for many years.

We had 1969 registered for the reunion, resulting in over 1500 participating in our "Meet and Greet" which was our registration day and then 1184 at our Gala Dinner both held in the Burswood Entertainment Complex.

Our main function, the Gala Dinner resulted in the largest function ever catered for at the Burswood complex -- a record which we hope will stand for some time.

On behalf of the Organizing Committee, please accept our Certificate of Appreciation for your support for this reunion by donating a computer laptop, which will now be presented to the Australian Navy In Vietnam Veterans Welfare Association at Leeuwin Barracks Fremantle for their role in providing welfare assistance to those in need.

Your further assistance with racking for our Registration function was a further act of kindness that did not go un-noticed and made it a lot easier to deal with such an unruly mob of ex sailors.

This reunion will be spoken of for many months to come and your support is much appreciated.

Many thanks for your support.

Kind regards
Yours Aye

Alan Rodgers
Treasurer.
